## **Independent Lifting Services Ltd Environmental Policy Statement**

The Directors, management and all who work at Independent Lifting Services Ltd are committed to the care of the environment and the prevention of pollution.

This policy is appropriate to the nature, scale and environmental impacts of its activities, products and services.

The management is committed to ensure that all its activities are carried out in conformance with the relevant environmental legislation and other requirements to which the company subscribes which relate to its environmental aspects.

Independent Lifting Services Ltd operates processes which are detailed in the Register of Aspects, also local environmental requirements laid down by the local authority (Great Yarmouth Borough Council) are addressed accordingly.

Independent Lifting Services Ltd continually seek to minimize waste, promote recycling, reduce energy consumption, reduce harmful emissions and where possible to work with suppliers who themselves have sound environmental policies.

An essential feature of the Environmental Management System is a commitment to improving environmental performance. This is achieved by setting annual environmental objectives and targets, which will regularly be monitored and reviewed. The objectives and targets are publicized throughout the organization and all staff are committed to their achievement.

In order to ensure the achievement of the above commitments Independent Lifting Services Ltd is in the process of implementing an Environmental Management System which satisfies the requirements of BS EN ISO 14001:2015.

This policy and the obligations and responsibilities required by the Environmental Management System has been communicated to all employees, subcontractors and any persons working on behalf of Independent Lifting Services Ltd and is available to the public on request.
