## **Independent Lifting Services Ltd Health and Safety Policy Statement**

The Directors of Independent Lifting Services Ltd are committed to implement and maintain this policy to the highest standard of Health and Safety to prevent injury and ill health to its employees, clients, contractors, subcontractors, visitors and the general public. This policy is communicated and available to all interested parties.

The Directors of Independent Lifting Services Ltd have overall responsibility for the implementation and enforcement of this policy and supporting Health and Safety procedures.

It is the policy of Independent Lifting Services Ltd to comply with the terms of the health and Safety at Work Act 1974, all associated Lifting Regulations and subsequent Legislation and Approved Codes of Practice including safety requirements issued by the Lifting Equipment Engineers Association (LEEA) to provide a healthy and safe working environment.

While the management of Independent Lifting Services Ltd will do all that is within their power to ensure the Health and Safety of its employees, it is recognized that Health and Safety at work is the responsibility of each and every individual associated with the company. It is the duty of each and every employee to take reasonable care of their own and other people’s welfare and to report any situation which may pose a threat to the wellbeing of them and any other person.

The management of Independent Lifting Services Ltd will provide every employee with the training, PPE and instructions necessary to carry out their tasks safely.

Independent Lifting Services Ltd Health and Safety Policy will be reviewed on a regular basis and revised, particularly when a change in operations or legislation occurs. The company will continually look for areas of improvement and performance to the management system, setting and reviewing objectives through the Management Review process.
